

## REPLACEMENT DRAWINGS

Four replacement sheets have been attached to this document, containing FIGS. 1, 3, 4, and 11.

FIG. 1 has been amended. Reference label 102 (Computer Memory) now points to both User Address Space 103 and Operating System Address Space 105. Reference labels 103 (User Address Space) and 105 (Operating System Address Space) have been moved. Reference label 117 (Operating System) now points to a box containing elements 109, 111, 113, 114, 115, 116, 118, 127, and 129.

FIG. 3 has been amended. The reference number for the Group B Process has been changed to 301. The reference number for the User B File has been changed to 303.

FIG. 4 has been amended. The value pointed to by reference number 203 has been changed to 0x0001.

FIG. 11 has been amended. The reference number for the Virtual Super-User C VSUID has been changed to 1103.

The above changes correct typographical errors and do not add new matter.
